Chapter Organizational Meeting

The Ruffed Grouse Society will be hosting a meeting

Wednesday, April 1, 2009
5:30 to 7:00 p.m.

Joe Sensor's Bar and Grill
Hwy 35W at Cty Road C
Roseville, MN

Appetizers and refreshments will be served.

We encourage you to join us to discuss
the organization of a chapter in your area.

Why join your local committee?

You get to know your fellow grouse hunters and help out the habitat needs of Woodcock and Ruffed Grouse. You also get to help plan our 31st Annual Banquet as well as choose guns and prizes for that event, and organize other events throughout the year.
Of course every meeting is filled with tales of hunting and shooting.
Our summer meetings are held at a local gun club and
Food and beverages are always served.
And last, but not least, every committee member may join us for our October hunt weekend in Northern Minnesota. Visit us at
