

## HUNTERS!!! CONSERVATIONISTS!!!

*When was the last time you heard drumming in the spring woods?*

*Or felt the rush of a flushed grouse from under your feet?*

*For most of NJ it has been too long.....*

**The Ruffed Grouse Society is Hosting a Meet and Greet**

### **WHO ARE WE?**

Established in 1961 the Ruffed Grouse Society (RGS) is the one international wildlife conservation organization dedicated to promoting conditions suitable for ruffed grouse, American woodcock and related wildlife to sustain our sport hunting tradition and outdoor heritage. Our members are mainly grouse and woodcock hunters who support international scientific conservation and management efforts to ensure the future of these species.
