WEDNESDAY, APRIL 19 / 7 P.M.

We are starting an RGS Chapter in the Boston/South Shore Area. Please join us for a beer to discuss all things grouse and woodcock.

The Ruffed Grouse Society's Regional Biologist Andy Weik will be on hand to discuss regional habitat management, upland bird populations, etc.

Please extend this invitation to any of your friends who are interested in bird hunting, dogs and shotgun enthusiasts.

Also invite your conservation-minded friends as the goal of this chapter is to pick some local habitat areas for restoration. The money raised will stay in Massachusetts!

This newly formed Chapter will be hosting a fundraising dinner on September 8, 2017 at the Barker Tavern.
