Come and be counted! We are in need of amassing our numbers, Grouse season is approaching!

The Southern Mountains Chapter (#420) of the Ruffed Grouse Society needs you to come and be counted.

Meet us and other like-minded grouse hunters, have a few laughs, share your experiences, and get excited for the coming of Fall. It is closer than you may think.

We are especially looking for volunteers to assist with developing plans for the coming bird season and direction of the Chapter. Any level of commitment is appreciated.

Great food and drink are all in store, so come on out and help support RGS' Southern Mountains Chapter! When you do, you help preserve our sporting traditions through the creation of healthy woodland habitat for ruffed grouse, American woodcock and other forest wildlife.

Cost: Admission free, food and drink on your own dime.

Kind Regards -- Mark White, Southern Mountains Chapter #420, Ruffed Grouse Society, Greenville, SC
