

North Central Michigan Chapter of the Ruffed Grouse Society

2017 Spring Habitat Weekend

What: Come enjoy a day of planting apple trees to enhance forest habitat for Grouse and many other wildlife species. This is a one day event in Gladwin County. All are welcome!

When: Saturday April 22nd 8:00am – 2:00pm

Location: Meet at the Gladwin DNR Field Office, 801 N. Silverleaf Gladwin, Michigan 48624.

RSVP: Please RSVP to Bruce Barlow at (989) 426-9205 ex. 7630 or barlowb@michigan.gov.

What to bring: Work Gloves, Shovel and a can do attitude!

*Lunch will be provided on site in the field for all volunteers.

This is a cooperative project with the Michigan Department of Natural Resources. By participating you are helping to enhance habitat for an abundance of wildlife species that provide so much pleasure to so many people.

“A conservationist is one who is humbly aware that with each stroke [of the axe] he is writing his signature on the face of the land.” – Aldo Leopold, *A Sand County Almanac*
