

**The Art and Science of Grouse Shooting
" A Grouse Hunting and Shooting Clinic,
Hosted by the Ruffed Grouse Society"**

Saturday, May 19, 2018

About the Event:

Join the Ruffed Grouse Society for an informal shooting clinic to learn about all things Grouse and Woodcock.

Learn strategies, tactics, shooting and habitat via classroom setting with our RGS Biologist and a Team of Professional Clay instructors.

Class will be followed by a two hour instructional shooting lesson.

Bring your favorite grouse gun.

Entrants should plan on bringing 4-5 boxes of ammunition, shot size no larger than 7 1/2's.

Schedule:

9:00 AM: Coffee and Introductions

9:30 AM: "Grouse and Woodcock Habitat,"
where to find them and why

11:00 AM: "Grouse Shooting," Guns and Ammo, techniques
and drills, physics and science of shooting

12:30 PM: Lunch (Included)

1:00 PM: Two Hours of Shooting Instruction

Cost:

\$180/Person

***Class is Rain or Shine and
Limited to the First 25 Entrants***

***Proceeds will Benefit Grouse and
Woodcock Habitat in New England***

To Register, Contact:

Larry Rich

**617-838-5597 or
flrbll@rcn.com**

Again, Limited to the First 25 Entrants!
