

## Help us Increase Bird Hunting Opportunities Near the Twin Cities

We are partnering with the  
Minnesota DNR  
to build a  
Hunter Walking Trail in Carlos Avery.

We are looking for volunteers to help clear the trail  
and build boardwalks on  
**March 10 and March 17, 2018.**

Work will begin at 8:30 am and end by 3:30 pm.

We will be meeting at the  
**Carlos Avery WMA**  
**18306 Zodiac St, Forest Lake, MN**  
before we head out to the work site.

*We will have some tools available,  
but if you are able to bring loppers  
(both large and small), swede saws, or battery operated tools  
for building the boardwalks (drills, saws, etc.)  
that would be very helpful.*

We will have bottled water and will be ordering pizzas for lunch,  
but feel free to bring snacks.
