~ Live Music ~ Woodcock Trot ~ And more!!!

On Saturday, May 8th, 2010, from 3:00 PM to 8:30 PM, Bald Eagle State Park will be holding its 2nd Annual Birding Festival. This celebration will host a variety of activities including live bird presentations, informative bird walks for experienced and novice birders, kayak tours, binocular vendors, door prizes, children's crafts/activities, and eagle watching. You can also learn about various birds species like the ruffed grouse, golden-winged warbler and American woodcock through presentations from local conservation agencies. There will also be food and music available for those interested.
