IF PERSONALIZING YOUR SPECIAL ORGANIZATION REGISTRATION PLATE

- Personalized special organization registration plates may contain up to **FIVE** letters and numbers in combination. **NOTE:** A preprinted letter configuration will precede your personalized configuration on your registration plate and cannot be changed.
- If a hyphen or space is used as part of the registration configuration, it counts as one of the available spaces for personalization. Only one hyphen or space is permitted, but not both. **NOTE:** No additional special characters are available.
- When requesting a numeric character of zero, please list as "Ø" instead of the alpha character of "O".
- PennDOT reserves the right to limit or reject requests.
- The registration on your vehicle must be current in order for PennDOT to process your request. The fee to personalize your special organization registration plate is an additional \$104. **The additional \$104 fee covers the cost of your personalized registration plate order only and will not renew your vehicle's registration.** To renew your registration, please include your completed renewal application, Form MV-105, "Pennsylvania Registration Renewal Application," or Form MV-140, "Request for Registration," and **a separate check or money order in the amount of your registration renewal fee.** Payment is to be made by check or money order payable to the Commonwealth of Pennsylvania. **PLEASE DO NOT SEND CASH.**
- To check personalized registration plate availability, visit PennDOT's Driver and Vehicle Services website, www.dmv.pa.gov, and select Plate Availability from the list of services under the Online Services heading. Personalized registration plates will not be reserved until PennDOT receives payment and a completed application, and approves your requested registration plate configuration [number(s) and/or letter(s)]. Please note that registration plate requests are processed on a first-come, first-served basis. Although a requested registration plate configuration may show as being available on the website, it is possible that a request for the same registration plate configuration may have already been submitted by another customer and may not be available when making application.
- Personal registration plates will be manufactured on the basis of this application. **NO REFUND** of the fee will be issued when an applicant cancels a request after the order is placed with the manufacturer.
