

Chippewa Valley Chapter
of the
Ruffed Grouse Society
in cooperation with the
Eau Claire County Forestry Department

will be holding a
HABITAT WORK DAY
on
Saturday, April 25, 2015
at the
Kelly Road Grouse Management Area

This work day will involve planting root stock seedlings for wildlife food and shelter. Attendees should bring gloves and suitable footwear.

People wishing to help should meet at the
Kelly Road Site at 8:00 am
3 Miles NE of Augusta, WI

Take Hwy 12 east out of Augusta and turn on County CF, then turn on Kelly Road and watch for the sign on your left. Tools will be provided. Refreshments and lunch will be served.

We ask that you sign up in advance by contacting:
