

Annual Michigan Ruffed Grouse Society State Workshop Meeting

We are holding the annual Michigan State Workshop Meeting **Saturday, January 31, 2015**. This statewide workshop is a great opportunity for all to learn and share the ideas that will make a positive change in our state.

Presentations will include regional updates on RGS policies and procedures as well as a state-of-the-state report. John Paige will discuss the ASV program highlights and accomplishments. The Michigan Leadership Team will meet earlier that same day to review the applications for 2014 Michigan State Drummer Funds, and determine where our funds will be allocated.
