

Mid-UP Chapter
of the
Ruffed Grouse Society
will be holding a
HABITAT / DEMO DAY

Saturday, August 26, 2017

at the

Michigan GEMS Melstrand Kiosk

Hwy 58 North of Munising, MI

(Take Hwy 58 North and East out of Munising, MI)

Tree Planting in the GEMS site. After lunch the Michigan habitat machine will demonstrate its ability onsite. Camping nearby at Gemini Lake. Bring your bird dogs as there are ruffed grouse and sharptail grouse nearby.

Lunch on Saturday will be provided by Chef Steven Rodock of the chapter. This event/demo is a collaborative project in conjunction with UP Whitetails, Michigan Sharptail Association, and MUCC.

People wishing to help should meet at the
Site at ?
