

# Buffalo/Rochester Area Meet & Greet

Wednesday, September 12, 2018 – 6:00 p.m.

Caryville Inn  
25 Main Street  
Oakfield, NY 14125

Come and be counted! We are in need of amassing our numbers, Grouse season is approaching!

RGS Regional Director Tripp Way and RGS Regional Biologist Andy Weik will be in attendance as well as a representative from the DEC to discuss habitat management projects on public lands in New York State.

The Buffalo/Rochester Area needs you to come and be counted. Meet us and other like-minded grouse hunters, have a few laughs, share your experiences, and get excited for the coming of the Fall. It is closer than you may think.

We are especially looking for volunteers to assist with developing plans for the coming bird season and **as we attempt to organize a Ruffed Grouse Society Chapter in the Buffalo/Rochester area.** Any level of commitment is appreciated.

Great food and drink are all in store, so come on out and help support the Ruffed Grouse Society! When you do, you help preserve our sporting traditions through the creation of healthy woodland habitat for ruffed grouse, American woodcock and other forest wildlife.

Cost: Admission free, food and drink on your own dime.

**For information & to attend, please contact:**
