Quotes

Established in 1961, the Ruffed Grouse Society is North America's foremost conservation organization dedicated to preserving our sporting traditions by creating healthy forest habitat for ruffed grouse, American woodcock and other wildlife. RGS works with landowners and government agencies to develop critical habitat utilizing scientific management practices. In Ohio, the Gilbert R. Symons Chapter has been particularly active in creating new habitat at Indian Creek Wildlife Management Area, Tranquility Wildlife Management Area, and Shawnee State Forest—all in Southern Ohio.

"I SUPPORT THE RUFFED GROUSE SOCIETY BECAUSE THEY FOCUS ON CREATING AND MAINTAINING EARLY SUCCESSIONAL FORESTS THAT BENEFIT BIRDS THAT WE ALL LOVE. NEOTROPICAL SONGBIRDS SUCH AS THE GOLDEN WING WARBLER, EASTERN TOWHEE, YELLOW BREASTED CHAT AND YELLOW THROATED. RGS IS THE ONLY CONSERVATION ORGANIZATION THAT FOCUSES ON CREATING AND MAINTAINING THIS TYPE OF HABITAT."

-JOHN RUTHVEN
World Renown Wildlife Artist.

"WILD GAME ON YOUR DINNER PLATE IS A UNIQUE OPPORTUNITY. IT IS THE ULTIMATE IN LOCAL, NATURAL, AND ADDITIVE FREE FOOD. BUT WITHOUT THE CONSERVATION AND HABITAT WORK OF THE RUFFED GROUSE SOCIETY, WILD GAME WILL BECOME UNOBTAINABLE. TO KEEP ENJOYING WILD GAME AT YOUR DINNER TABLE, SUPPORT THE RUFFED GROUSE SOCIETY."

-DAVID COOK
Cincinnati's Premier Chef, Wild Game Gourmet and Restaurateur.

"YOUNG FORESTS ARE ALIVE WITH A DIVERSITY OF WILDLIFE. RGS WORKS TO CREATE YOUNG FORESTS. THAT IS THE REASON I SUPPORT THEM."

-JOE THOMAS
Outdoor Channel Star and Host.

"ALDO LEOPOLD IN A SAND COUNTY ALMANAC SAID "THERE ARE TWO KINDS OF HUNTING: ORDINARY HUNTING AND RUFFED GROUSE HUNTING." RGS WORKS FOR HEALTHY FORESTS THAT WILL KEEP THAT TRADITION ALIVE."

-RON ELLIS
Prominent Author.
