Ruffed Grouse Society in Action

Proven Ability to Successfully Manage Forests

RGS has degreed biologists on the ground nationwide and RGS-owned forest management equipment implementing a proven plan for forest management.

Management Area Program

The RGS MAP program has created over 600 projects affecting over 500,000 acres of habitat in 28 states.

RGS Government Affairs and Policy

The RGS Director of Conservation Policy has an impact on legislation and policy in Washington D.C., and RGS staff are members of congressional and state committees affecting our natural resources and hunting rights.

Coverts Program

The RGS Coverts Program works with cooperative extension services and has affected over 1 million acres of forest habitat.

Consulting Forester Outreach Program

This new program targets private landowners through educational seminars for foresters performed by RGS biologists.

Innovative Partnerships with Industry

RGS has forged strategic alliances with industry to manage over 12,000 acres of forest habitat while RGS retains percentage of timber sale proceeds. The relationship improves habitat for wildlife and enhances recreational value of these lands.

The Recognized Leader in Forest Management

Governmental agencies, private landowners, leading companies and industries recognize RGS as the foremost forest conservation organization. In turn, RGS understands and embraces the opportunity to partner with government, landowners and companies to benefit both wildlife and industry.
