Chairman's Message

Please join us for our 26th annual dinner of the North Shore Chapter.

It excites me to celebrate 26 years of dinners this year. The past year has been a busy one with a sporting clays shoot and work underway on some interesting habitat initiatives. One of these is revisiting work we have done in the past to create early successional habitat on Long Point Region Conservation Authority lands.

We revamped our sponsor program this year to better appeal to those who have too many prints on their walls. Sponsors who don't want the print will be entered in a draw for a weekend away or an Excalibur crossbow. If we have more than 10 sponsors, we will make two sponsor draws. With the tax receipt, this is a great way to assist RGS and your income tax return.

Our committee is still small, and we could sure use more help. If interested, please contact me.
